What is CGCC ?

One to one solution for employment and entrepreneurship, Career fest, Job fair (Entire skill life cycle of the youth - right from mobilization till post placement mentorship)

Role of CGCC ?

Flow Chart Of Decision Making @ Career Guidance & Counselling Center (CGCC)

**Concept Plan for Establishing
CAREER GUIDANCE AND
COUNSELLING CENTER (CGCC)
at 687 Districts of India**

Prepared by

Friends Union For Energising lives
Enabling Students to Excel

Friends Union For Energising Lives (FUEL) NGO

**First CGCC of Maharashtra was launched
at Amravati with Support of Tata Trusts**

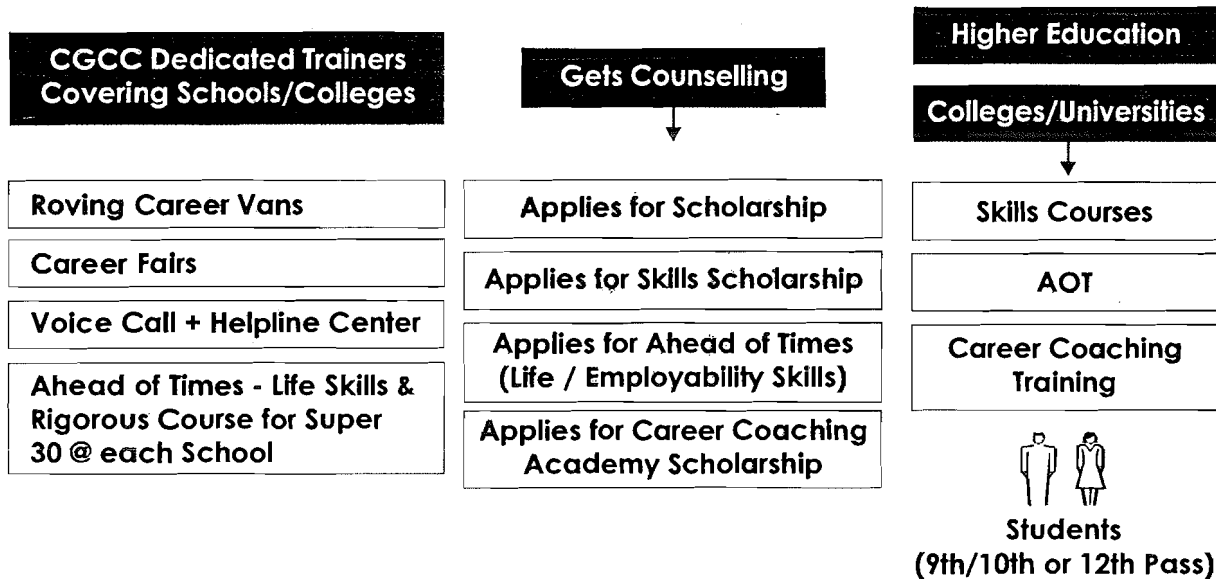

STEPS at CGCC Center

Step 1	Step 2	Step 3	Step 4	Step 5
Reach Out to Schools/ colleges	Psychometric Test	Career Orientation	One on one Career Counseling	On-going helpline and SMS Alerts
Schools are selected from underprivileged and rural locations in and around the region.	Psychometric tests are conducted for the students which assess their Aptitude, personality and interest.	Career Orientations are done for the students which introduce them to different career options.	Based on the psychometric test reports are generated for all students using which One on one career counselling is done for all students.	Students are given SMS alerts regarding scholarships and exam alerts. Also 12*6 helpline is available for the students

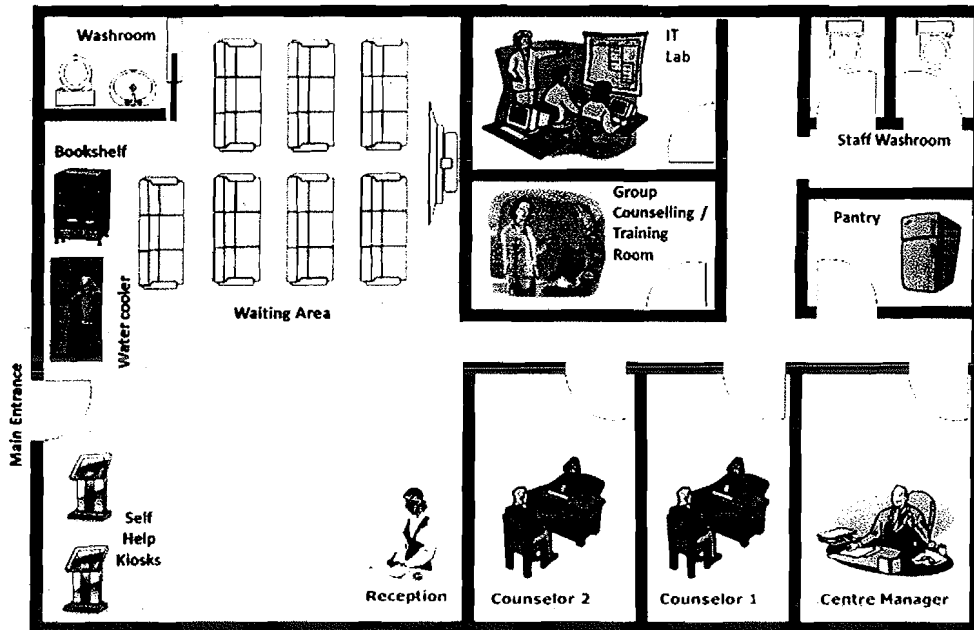

FUEL'S Innovation Model

Our Innovation : Process Flow

Human Resource Allocation at One CGCC Centre

Sr No	Staff Type	Minimum No.
1.	Centre Manager cum counsellor	1
2.	Counsellors Clinical Physiologist	2.
3.	Registration Manager	1
4.	IT Assistant	1
5.	Support Staff	2
6.	Mobile Counsellors	Per Block 1
7.	Soft Skills Trainer	1
8.	Placement Manager	1

CGCC Centre Layout and Requirements :

Area needed could be 3000 to 8000 Sq Ft (depending on also if Skill Centre is to be added.)

Benefits and Advantages of CGCC ?

- Availability of mentoring would help reduce dropout rates & increase employability potential.
- Digitization of students demographic data on the portal would be of tremendous help to Govt. & schools for various purposes.
- Increase in higher education enrolment.
- Cases of stress, Juvenile crime, depression would reduce because of increase in personal mentoring available.
- Govt. is able to know the trend analysis of student's preferred career / skills choice, aptitude levels. This will help govt. in decision making.

Role of Industries and Corporates

- Industries and Corporate can adopt the centre at each district under Corporate Social Responsibility (CSR) For 3 Years.
- Industries Job Mapping and requirement shall be mapped out and Skill Training -Jobs -Placements could be facilitated.

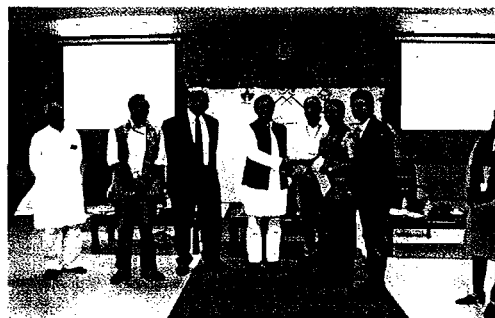

Role of Government and support needed

Government can facilitate the corporates and help in establishing the CGCC Centers across India.
