TEROA/SHIKSHAN/2013/ 7631

Date: 10/10/2013
8 OCT 2013

To,
All Directors/Principals
Of Un aided Engineering Colleges
(In the Districts of Beed, Latur, Nanded, Osmanabad, Hingoli & Parbhani)

Subject: A Theme talk on “ Creating Leaders for Future Challenges in Technical Education” at VDF’s School of Engineering & Technology, Latur on 15th October,2013

Dear Sir/Madam,

Technical Education System in our state/ region, has been passing through a challenging phase. Several Engineering Colleges in the State/region are witnessing a lukewarm response to admissions for last three consecutive years. There might be several factors causing this kind of response from students’ community towards Engineering Education.

Effective Leadership in such institutes may definitely help to greater extent in facing the imminent challenges. Effective Leadership is need of the hour to enable Engineering Institutions to become proficient enough to face stiff competition from foreign Institutions in the days to come. It is high time that necessary deliberations must take place to think of pertinent issues to devise strategies to face future challenges.

In the context as delineated above, a theme talk on “ Creating Leaders for Future Challenges in Technical Education” has been arranged jointly by the Office of Joint Director, Technical Education, Aurangabad & Vilasrao Deshmukh Foundation, Latur, at VDF’s School of Engineering & Technology, Latur on 15th October,2013. All Directors/Principals of Un aided Engineering Colleges in selected Districts, are hereby requested to attend the theme talk along with 3 to 4 Heads Of Department /Senior professors of their institute. Prof. B.M.Naik , the Ex-Director, Shri.Guru Govindsinghji College of Engineering & Technology Nanded, will be the key note speaker for the theme talk. The schedule of the theme talk is attached separately.

With warm regards,

Yours sincerely,

(Mahesh D.Shivankar)
Joint Director
