Date:22 Jan, 2013

To
Mr. S.K. Mahajan
Director of Technical Education,
Maharashtra State

Reference: **Silver jubilee celebrations of DIEPX-2013**, a state level exhibition-cum
Competition to be held at Pune during March 2013.

Subject: Request to send Letter to all colleges for giving entry and arranging visit for
Dipex-2013.

Respected Sir,
We appreciate your support to DIEPX activities in the past.
ABVP and SRIJAN have immense pleasure to announce the silver jubilee celebrations of its flagship
activity DIEPX. DIEPEX-2013 in association with Govt. College of Engineering,Pune, Mahratta
Chambers of Commerce and Industries and Pune University the most prestigious and popular state
level exhibition-cum-competition of projects and working models of degree and diploma
engineering students, as well as agriculture and PG Science students, in Maharashtra and Goa will
be held at pune during 6th March to 10th March 2013.

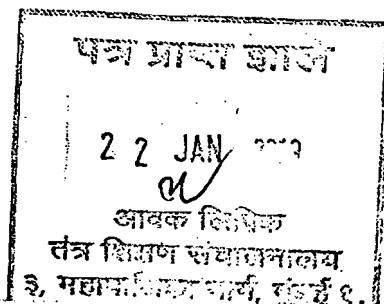

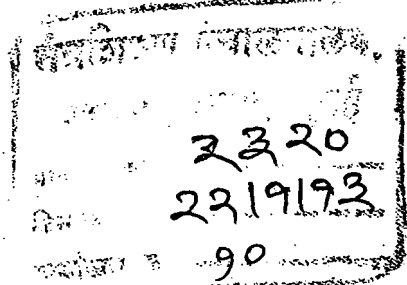

As a part of DIEPX's silver jubilee celebrations. SRNAN & ABVP would like to embark on a newer
voyage and plan to work with the academic institutions with, a vision to take the technological
excellence of engineering education to next level. SRIJAN & ABVP is happy to announce the
addition of two silver jubilee special events at DIEPEX-2013.

- **Competition of Industry sponsored projects**, for engineering students; and
- **Competition for engineering faculty**; a competition for projects by the engineering faculty
in line with SRIJAN's vision to promote industry-institute interaction.

A couple of initiatives in this direction have been already set in motion. SRIJAN and COEP jointly
a 'Industry institute Interaction (i2i)' workshop on 11th August 2012, to foster the
institute interactions and help the engineering colleges to foster the culture of research to

Get into next league of maturity on the lines of several premier academic institutions in the
country. Few more one-to-one industry institute level interactions are being planned over the next
few months. Based on the previous trend, we expect DIEPEX-2013 to have participation of 100+
Colleges, 500+ project entries, of which select 250-300 projects will be displayed at the
competition and about 1000-1200 student's participation in this event.

For the successful organization of this event, SRIJAN is in the process of constituting an organizing
committee comprising of eminent personalities from various walks of life viz. Industry, education,
