Circular

Subject: Symposium to deliberate on issues pertaining Poor Admissions, and about Sustenance Of Quality Education in Engineering Colleges in Marathwada Region (Impact Study, vis-à-vis Cause and Effect Analysis).

Technical Education has been passing through a critical phase, as regards admissions to Institutes imparting Degree Engineering Programmes. Approximately more than 30% seats in Engineering Colleges are lying vacant due to poor admissions in first year of Engineering. There are about 15 Engineering Colleges in the region identified with more than 35% seats remaining vacant consistently for last 3 years, this situation is adversely affecting the overall quality of education.

Department of Technical Education has expressed serious concern about poor admissions and its implications on quality education in Engineering Colleges. With a view to deliberate various issues regarding poor admission status & its implications on quality education (Impact Study vis-à-vis Cause and Effect Analysis) a symposium is arranged by this office.

Directors/ Principals of all Engineering Colleges in the region are hereby informed to attend this symposium with written suggestions regarding the subject of symposium, at Deogiri College of Engineering & Management Studies, Aurangabad on 2nd September 2013, at 3:00 pm, along with one senior faculty member of the institute.

(Mahesh D. Shivankar)

Joint Director,

Technical Education Regional Office, Aurangabad.

1. Copy submitted for information to, Hon. Director, Technical Education Maharashtra State Mumbai.
